

## Accordion Fold

Adhere several pages together using double-sided tape.

## Cover

Make cover slightly bigger than pages and adhere to front and back cover.

**Example:** Pages are 4" x 4", Cover is 4.25" wide by 4.5" high. This will allow a .25" margin.

→ Remember to keep the margins even, only make the cover have a margin on the raw side (non-folded).
